

ARIZONA DOWNS

Race #1

2-6-7 #2 Jimmy On The Loose 12-1 ML now will put back to back races without a layoff line and could improve once again after showing best effort in local debut last time out. Start is key

Race #2

6-2-3 #6 DF Favorite Honor 5-1 ML is drawn nicely here on outside and wants every bit this far. Won easily when last racing under this trainer by name on the past performances.

Race #3

2-4-5 #2 Don't Ask 7-2 ML does not need to be secretariat at first asking against these and is an unknown in a race where many including the favorite seems vulnerable at best

Race #4

3-6-7 #3 Incredible Luck 2-1 ML put it all together last time out and now seeks back to back scores. Love that Jockey climbed for first ride last out and got along nicely and now returns for the re-ride.

Race #5

5-3-4 #5 Six Ninety One 2-5 ML is a great story and easy to root for...looking for 8 in a row and could be just this good but price will certainly be low.

Race #6

5-6-7 #5 Earle Gray 10-1 ML ran even in local debut last time but could move forward off that effort and always important to have a race over the track. Faced better for majority of career and could be the right longshot in race that looks ripe for the upset.

Race #7

1-4-9 #1 Son of Eleanor 6-5 ML looks like the goods on the big drop in class. If he does not win he will probably be off the board as he simply is best on paper but have to wonder why the drop all the way to the bottom level?

Race #8

5-4-6 #5 My Funny Gal 10-1 ML was wide every step of the way in last and finished evenly. Off that race she should sit a much better trip here with not as much pace signed on. Good price to end the day in the get out race.
