

ARIZONA DOWNS

Race #1

2-4-7 #2 Gotta Bad Habit 15-1 ML is a maiden facing winners but some of those Wyoming races came up tough and could be live first time in Arizona, watch the tote board for clues.

Race #2

6-2-7 #6 Happy Happy Happy 4-1 ML has become a favorite of mine and like the move back to two turns. Chance to rebound to start and effort two back should make a difference here.

Race #3

4-5-1 #4 Groovy Huey is a first time starter and have a feeling one the debut runners have some talent so I will go with them as my top two picks here. The unknown is playable in this race.

Race #4

6-5-4 #6 Mischievous Holiday 7-5 ML is tough to ignore here and even though last was not spectacular, he only need repeat anything before that to win this today.

Race #5

4-5-2 #4 Glitter Gulch 8-1 ML has now has a badly needed race over the track and should move forward in a big way, fitness could have been an issue in last and clean start could mean a whole new ballgame against these.

Race #6

3-6-7 #3 Steal Home could have his running shows on for this and have seen time and time again during this meet that a race under the belt is a huge advantage on this oval. Notice the trouble at the start in last as well.

Race #7

2-5-4 #2 Deputy Knight 15-1 ML has been slowly improving with each start and was impressed in last when eliminated at the break yet kept to task nicely, jock been riding well and this one deserves a look at long odds.

Race #8

6-1-3 #6 Perky Brunette 10-1 ML needs to show the speed we saw when breaking the maiden three back, and this is a good opportunity for her to do so. Been facing better even at this level, nice get out price in the get out race.
